COMPETENCY INFORMATION

PLEASE ANSWER THE FOLLOWING QUESTIONS. If any answers to the questions in this part are in the affirmative, attach an explanation on a separate sheet. In support of your explanation, the final documents or orders from the issuing states, courts, and/or agencies must be submitted along with this application.

For the purposes of these questions, the following phrases or words have the following meanings:

- 1. "Ability to practice your profession" is to be construed to include all of the following:
 - a. The cognitive capacity to make appropriate clinical diagnoses, exercise reasoned medical judgments, to learn, and keep abreast of medical developments;
 - b. The ability to communicate those judgments and medical information to patients and other health care providers, with or without the use of aids or devices, such as amplifiers; and
 - c. The physical capability to perform medical tasks such as physical examination and surgical procedures, with or without the use of aids or devices, such as corrective lenses or hearing aids.
 - 2. "Medical condition" includes physiological, mental or psychological conditions or disorders, such as, but not limited to: orthopedic, visual, speech and/or hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional or mental illness, specific learning disabilities, HIV, tuberculosis, drug addiction, and alcoholism.
 - 3. "Chemical substances" is to be construed to include alcohol, drugs, or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber's directions, as well as those used illegally.
 - 4. "Currently" does not mean on the day of, or even in the weeks or months preceding the completion of this application. Rather it means recently enough so that the use of drugs or alcohol may have an ongoing impact on one's functioning as a licensee or within the past two (2) years.
 - 5. **"Illegal use of controlled substances"** means the use of controlled substances obtained illegally (e.g. heroin, or cocaine) as well as the use of controlled substances which are not obtained pursuant to a valid prescription or not taken in accordance with the directions of a licensed health care practitioner.
